POMEROL

2015 VINTAGE POMEROL

VINTAGE BLEND

95% Merlot, 5% Cabernet Franc

CLIMATIC CONDITIONS

The winter of 2014 – 2015 was quite cool and rainy. The spring, mild and dry, allowed for a quick and even flowering. The first part of the summer was marked by a very hot and dry period, followed by a slight drop in temperatures and a few welcome showers. The heat returned at the end of August and in early September, ensuring the quality of the vintage.

TASTING NOTE

JEAN-PIERRE MOUEIX POMEROL 2015, of an intense and brilliant crimson, offers a fresh bouquet of red berries (strawberries, cherries), with notes of licorice and toast. On the palate, the attack is smooth, the tannins silky and the acidity precise. This Pomerol 2015, which perfectly expresses the excellent quality of the vintage, offers immediate pleasure.

PRESS

«Aromas of black olives, walnut skin and dark berries follow through to a full body, yet this is tight and linear with very finely polished tannins. Racy and persistent. Drink now.»
